To

His Highness the Maharaja of Mysore,
Muzrai Department, Bangalore.

Sir,

I have the honor to submit herewith the application for pension preferred in favor of Srinivasa Iyengar, late peshkar of the Srirangapatna Taluk Cutcherry, for, together with the service register, last pay certificate, verification roll and other accompaniments required by Fasli Books and Division Officer's report No. 209-10-11 dated 30th September 1924, and to request that you will be so good as to obtain the sanction of Government to the pension applied for.

From the enclosed file of vernacular records it is seen, that the above official, applied on 19th December 1919 for three months' privilege leave and on the question was still under correspondence and the leave asked for had not been formally sanctioned, he seems to have been permitted by the local officers to avail himself of the privilege leave from 20th December 1919 to 10th April 1920. As he was aware of the risk of granting the leave, sanction of Government ought to have been obtained to the leave (vide article 203 (revised) of the Mysore Service Regulations). As the official has however already availed himself of the leave and subsequently retired from 1st January 1921, the omission might be condoned, and sanction seems to be hereby applied for.

It further, it is seen that the official has been paid his privilege allowance, to the end of January 1920, amount for February and 10 days in March 1920 have been withheld pending final decision of the above question.

SIR,

Adverting to your letter No.5628/Muz.432-21-7 dated 11th April 1922 forwarding for verification the application for pension on behalf of Sreenivasaiengar, late Peshkar of the Sri Ranganatha Swami Temple at Seringapatam, I have the honor to state that the names of officials paid from Muzrai Funds do not find a place in the Annual Schedules of Establishment received in this office, which form the basis for verification of services. It is not therefore possible for this office to verify the service of the pensioner in question.

2. As regards the source from which the pension amount may be met, I have to state that, prior to the applicant's employment as Peshkar, he was probably being paid from the Muzrai Establishment Fund which is formed from a percentage contribution on the annual income of Major and Minor institution as detailed in Article 451 (iii) of ~~Municipal~~ Account Code, Volume I. It is not therefore possible for this office to furnish the names of institutions from the funds of which the pension may be met.
